

MARGIE SCOTT MEMORIAL SCHOLARSHIP

Margie Scott was an integral volunteer within JEFFERSON COMMUNITY THEATRE from its inception working with set design, costumes, props, and an audience member. In 2021, after Margie lost her battle with cancer, the Board of Directors wanted to honor Margie's service to both Jefferson Community Theatre and to the Jackson County at large by creating a scholarship in her memory.

Each year when a qualified candidate presents, JCT Board of Directors (or a sub committee) will award one \$500 scholarship to a graduating senior (or to someone who plans to enroll within 6 months from application) from an accredited public or private school or home school program who plans on attending an accredited college or technical school. Presented scholarship will be written as a check to the institution that scholarship winner is attending.

The JCT Board of Directors will accept applications annually to be considered for one \$500 scholarship. Applicants must be graduating from an accredited public or private high school or home school program and must be able to provide proof of enrollment into an accredited college, university or technical school within at least six months of submitting an application for this scholarship. Presented scholarship will be awarded as a written check to the institution that scholarship winner is attending.
